

“Check it right the **1<sup>st</sup>** time.”

**Phil Brun**

“I am a Home Inspector because I believe that smart home-buyers should be well informed about the significant purchase of a new home. My detailed inspection reports that I provide cover all aspects of the building conditions involved.

With my extensive experience in **Home Construction & Renovations**, you can be assured that my commitment to professional quality service will be a valuable factor in your decision-making for home ownership.”
